

CV

My name is Gregor/Grisha Julson and I am 70 years old. Lives and works in Lund, Sweden. I started my work as a Roma activist 35 years ago. I am president of the association Lovara, which is a local association and works for Roma integration, education and rights. I sit on the board of the National Roma Federation in Europe, which is a national organization and fights for Roma rights in Sweden.

Has been active in the IRU for 30 years and has in 2016 been elected as responsible and chairman of the Romani krisi IRU. To bring together Roma Krisinatora/older respected men from different countries to ensure that IRU members and board do not violate the moral laws and code contained in the IRU.
